Langley for Families Gives Big Hearted Donation to Housing Project

NEWPORT NEWS, VA – The Langley for Families Foundation has donated \$3,600 to the Housing Development Corporation of Hampton Roads (HDCofHR). The monies will help to provide affordable housing to low-income individuals and families, the homeless and the disabled in Hampton and Newport News.

“The HDCofHR does incredible work in the community, helping the homeless or veterans and people with disabilities—people who have more difficulty finding homes,” stated Langley For Families Foundation Chairman Marilyn Kuhn. “We are pleased to be able to contribute to their cause. This award will help rehabilitate a housing project that is currently in the works.”

Langley for Families Foundation is a 501c(3) operating outside of Langley Federal Credit Union’s existing charitable giving structure. The Foundation concentrates on supporting organizations that serve the needs of families—specifically healthcare, housing and human services, safety and security, and financial education.
